Dolphin Watching is a daily attraction in Pamilacan Island. Lucky ones have the chance to see Sperm Whales and Bryde's Whales during the month of March, April, May and June.

A highly-skilled spotter will accompany all trips, who serves as a guide in looking for majestic creatures in their natural habitat.

This was packaged mainly to help the fishermen of Pamilacan Island whose main source of income used to be catching dolphins, Bryde's Whales, whale sharks and manta rays.
